#### Prelude

#### \*Call to Worship (from *Children's Sabbath*)

8:30: *Charlie Christensen*; 11:00: *Jeff Eller*

“Unless you change and become like children, you will never enter the kingdom of heaven.”

**We come here seeking change; we come here, each of us a child of God, to recognize our dependence on God.**

“Whoever welcomes one such child in my name, welcomes me. And whoever welcomes me welcomes not just me but the one who sent me.”

**We come here to welcome the children everywhere in God's name.**

“Beloved, we are God's children now.”

**We come here as children of God, secure in God's love, bound in one family to care for one another.**

Come, let us worship the God on whom we rely, the God who bids us to welcome the children, the God who claims us all as God's children.

**Amen.**

#### \*Opening Hymn 304

Jesus Loves Me!

JESUS LOVES ME!

(8:30 - all; 11:00 - VBS students will sing verse 1, please join in singing verse 2)

#### Prayer of Praise

#### Invitation to Confession

#### Prayer of Confession (adapted from *Children's Sabbath*)

Loving God, we confess that we have closed our eyes, hearts, and hands when you have reached out and tried to teach us. Sending us Jesus, the Prince of Peace, you tried to show us how to love one another, and yet we still resort to violence and might to solve our conflicts. Feeding your people with manna sufficient for the day, you wanted us to trust that we will have what we need and to share what we can, and yet we still try to hoard the blessings meant for all. Forgive us, we pray, for failing to hear and heed what you have tried to teach us. Set us free to embrace your love in the world. Amen.

#### Silent Confession

#### Assurance of Pardon

### HEARING THE WORD

#### Anthem

Lullabye (8:30)

BILLY JOEL

*Jerry Sevier, soloist*

*Goodnight, my angel, time to close your eyes, and save these questions for another day. I think I know what you've been asking me, I think you know what I've been trying to say.*

*I promised I would never leave you, and you should always know wherever you may go, no matter where you are, I never will be far away.*

*Goodnight, my angel, now it's time to sleep, and still so many things I want to say. Remember all the songs you sang to me when we went sailing on an emerald bay.*

*And like a boat out on the ocean, I'm rocking you to sleep. The water's dark and deep inside this ancient heart-you'll always be a part of me.*

*Goodnight, my angel, now it's time to dream, and dream how wonderful your life will be. Someday your child may cry, and if you sing this lullabye then in your heart there will always be a part of me.*

*Someday we'll all be gone but God's true love goes on and on. We never die. That's how you and I will always be.*
